ROUGH DRAFT - SUBJECT TO CHANGE
FINAL SCHEDULE WILL BE RELEASED APRIL 24th, 2012

2012 NORTH State Solo & Ensemble Schedule & Ratings Northridge High School April 28th, 2012

Scheduling Solo and Ensemble always poses a real challenge. Numerous request for specific times were made, these requests were honored as much as possible; however some conflicts may still exist. If a performance time needs to be rearranged individual students/groups will need to find another student/group and exchange performance times. Please don't ask the scheduler to do this; individuals have the responsibility of resolving their own scheduling dilemmas. Please don't ask to be moved to the end of the schedule as this extends the day for the adjudicators and festival personnel. Note that some events may be in more than one room. DO ***NOT*** try to exchange entries between these rooms.
