

2010 FOOTBALL, VOLLEYBALL, SOCCER & DRILL RULES CLINICS & TESTING INFORMATION

All **HEAD COACHES AND OFFICIALS** in the following sports must attend the live rules clinic for that sport or complete the UHSAA on-line rules clinic and quiz for that sport at www.uhsaa.org.

DATES FOR LIVE UHSAA RULE CLINICS:

Football	Saturday, August 7	Juan Diego Catholic HS 300 East 11800 South, Draper	11:30 a.m.
Soccer	Monday August 2	UHSAA Office 199 East 7200 South, Midvale	6:00 p.m.
Volleyball	Tuesday, August 3	UHSAA Office 199 East 7200 South, Midvale	6:00 p.m.
Drill	Saturday, August 28	Alta High School 11055 South 1000 East, Sandy	9:00 a.m.

Please be sure to include your name on the roll provided at the clinic. These rolls will be sent to the UHSAA office and only those who have filled it out properly will receive credit.

Those who do not attend a live rules clinic must view the UHSAA on-line clinic and successfully complete the quiz associated with that clinic (www.uhsaa.org). On-line clinics for Football, Volleyball and Soccer will be available for credit from **Tuesday, August 10, until Monday, September 6, 2010**. Drill will be available **Tuesday, August 31 until Friday, September 10, 2010**. The on-line clinics will be in a power point presentation and will include a link to a quiz to complete and submit to the UHSAA for credit. On-line clinics are large files and could take several minutes to down-load. Attendance at the clinic or the viewing of the on-line clinic exempts the head coach from having to take the written test. If a head coach does not attend or view the clinic a test for that sport will be sent to the school for the head coach to take. A score of 70% or higher is necessary to pass the test. Failure to attend or view a clinic or complete and pass the test by the deadline will result in a \$50.00 fine to the school.

Details regarding the UHSAA on-line clinic for Football, Volleyball, Soccer and Drill will be posted in the training section of the UHSAA web site (www.uhsaa.org). Additional information on certifying as a Drill Team Judge is posted on the Drill Page at uhsaa.org.

INFORMATION FOR FOOTBALL, VOLLEYBALL & SOCCER OFFICIALS:

The deadline for on-line registration is **Wednesday August 18, 2010**. Go to www.uhsaa.arbitercports.com

The Part 1 test is open book and must be taken on-line between **Monday, July 19 and Monday, September 6, 2010 for fall sports**. Follow the link on the home page of the UHSAA web-site to access the exam. Each official must create an account in order to take the test. You must receive a score of 80% or higher on Part 1 in order to pass and become a certified official. **An official may take the test more than once; however, after two attempts a \$15.00 charge per submitted test will be assessed by the UHSAA.** An official must pass the Part 1 test to be certified to work UHSAA contests. A Spanish language Part 1 test is available for soccer officials by contacting Amy Wagstaff in the UHSAA office wagstaff@uhsaa.org.

The Part 2 test will be available on-line **Tuesday September 7, 2010**, for those interested in Post-Season assignments. The Part 2 test must be completed by **Tuesday September 21, 2010. NO EXCEPTIONS**. The Part 2 test is open book and you must receive a 90% or higher to be considered for post-season. **There are no retakes allowed for the Part 2 exam.** An official must also attend a rules clinic **or** complete the on-line clinic and quiz to be considered for post-season. If an official is not planning to work post-season, it is not mandatory to take the Part 2 test.

There are sometimes reasons why an official should not work at a particular school (recent graduate, family attending, employment, etc.). Please notify your arbiter if there is any school at which you feel you should not officiate and/or close out any such school on the arbiter system.

The UHSAA Executive Committee has determined that a \$50.00 fine will be assessed to any official who accepts an assignment and then does not show. The official will then be suspended until the fine is paid.
