Greetings, High School Activities and Fellow Utahans!

On behalf of Les Schwab Tire Centers, welcome to today's championship event! Les Schwab is proud to be the premier partner of the Utah High School Activities Association, as well as title sponsor of the UHSAA State Championships.

Les Schwab has a long tradition of supporting Utah communities where our customers and employees both live and work. Les Schwab has been supporting young people for over 59 years. Continually, it is our children who are our future; therefore, we are extremely proud to demonstrate this commitment in Utah, where 136 member high schools serve more than 112,000 students, both in and outside of the class room.

At Les Schwab, we believe that participation and sportsmanship in organized activities not only helps our young people do better in school, and learn valuable life skills like cooperation, leadership and teamwork, but also this participation helps them to become strong contributors to our communities. Not only are the UHSAA programs vital to the development of our kids, but also they are vital to the strength of our community.

ly, we would like to extend our sincerest congratulations to all of the athletes, coaches, families, and fans here today – just by participating, each and every one of you is a winner. We look forward to our continued partnership with all of you as we support and provide foundation for all of Utah's youth.

Sincerely,

Todd Vierra
