TEAM DRESSING AREAS & COSTUME STORAGE

Each team will be provided an area in the **WEST TUNNEL** for costume changes. These are not secure areas, so do not leave possessions unattended. Mirrors and plugs will be limited so please come prepared. Do not leave curling irons unattended at any time. Remember that this is just a curtain area as well as a walkway, so please dress in the dressing rooms and do not leave any valuables unattended. UVU has asked that we do not plug curling irons into the hallway outlets near their offices. There are two restrooms in the west tunnel for use by drill team members. The costume storage area will consist of pipe and drape with chairs inside of the area. Locker rooms will not be available for teams.

ENTRANCE, EXIT and PERFORMANCE INSTRUCTIONS

The order of performance will be **Military, Dance, and Kick**. **ALL TEAMS MUST ENTER & EXIT FROM THE NORTH END OF THE FLOOR (NO EXCEPTIONS)**. Penalties will be assessed for entering and exiting the floor from the wrong direction. A floor judge will check the following: jewelry, fingernails, etc.

➤ **For 2011 State Drill: 5A, 2A & 1A will perform facing EAST; 3A & 4A will perform facing WEST.**

ROTATION FOR THE DAY

The rotation of the day will be as follows: teams will go from the dressing area, to the warm-up area (in the balconies at the north end of the arena), to the hall outside the arena, to the performance floor.

Teams are responsible to go to the practice area on their own. Teams must be ready to perform at their designated time or risk receiving a penalty according to UHSAA rules. Members of the University of Utah Crimson Line will assist teams in lining up and moving onto the floor when it is time to perform. It is the responsibility of the coach to have their team in proper place at the proper time so they do not miss their rotation onto the performing floor.

When teams have finished competing for the day, we suggest that you remove all of your belongings from the pipe and curtain dressing area because this will not be a secure area. As soon as the awards ceremony is over, your score sheets will be available at the table on the arena floor.

MUSIC

During the competition, music must be at the table ready to play as a team enters the floor. Failure to do so will be penalized according to rule without hesitation. There will be a CD player as well as a tape player with variable speeds. **Teams must have a representative at the table to start the music and to notify the sound technician immediately if there are any technical difficulties.** There will be two chairs set up on the opposite side of the floor from the sound table for the coaches whose teams are performing WEST to sit and watch their team. **These seats are for coaches only.**

SPORTSMANSHIP RULE (UHSAA Yearbook Drill Section)

Unsportsmanlike conduct by drill team members or coaches prior to, during, or after the conclusion of the competition will result in a 2-point penalty per routine judge for each violation. If unsportsmanlike conduct is committed during the competition, a written complaint must be submitted to the competition director within the time frame of the current competition category. Any member of the UHSAA Tournament Committee may assess these points. The points would be deducted before the ranking scores are given and would be assessed to routine category being performed nearest the infraction.
