

2014 Utah State Solo & Ensemble NORTH - Schedule & Ratings Northridge High School April 26th, 2014

Scheduling Solo and Ensemble always poses a real challenge. Numerous request for specific times were made, these requests were honored as much as possible; however some conflicts may still exist. If a performance time needs to be rearranged individual students/groups will need to find another student/group and exchange performance times. Please don't ask the scheduler to do this; individuals have the responsibility of resolving their own scheduling dilemmas. Please don't ask to be moved to the end of the schedule as this extends the day for the adjudicators and festival personnel. Note that some events may be in more than one room. DO **NOT** try to exchange entries between these rooms.

INSTRUCTIONS TO ALL DIRECTORS:
2014 State Solo & Ensemble NORTH Festival Schedule

Dear friends,

This year, we had nearly one thousand entries, all of which deserve an adjudicator's undivided time and attention. How wonderful to work in an area where there are so many talented music students! It is a credit to you that so many students attend this festival. It is your efforts, combined with the students' (and in many cases, the private studio teachers), which produces such a packed schedule!

The nature of the State Solo & Ensemble sometimes means you have to arrive early for some entries, wait around for a while for more performances, and so on. Some of you will have to do this. Others of you will have some of your entries so close together, you may think you won't be able to get from entry to entry with enough time to prepare. I have checked for these types of conflicts and feel like these have, in large part, been eliminated from the schedule—that doesn't mean it won't be tight in some places.

At this point, no official changes to the schedule will be made. If there are emergencies, we recommend you arrive earlier than 8:30am and ask an adjudicator to allow you to perform before normal festival time begins. You still have time to change bus schedules, alert students, and, if necessary, get a new accompanist. If necessary, you may also switch with another entry from within your school or another school. Again, please clarify with the adjudicator so they understand what changes you've made to the schedule. Cancellations may be made without penalty up until next Tuesday morning.

Adjudication Forms

New this year, all entries are responsible for providing their own adjudication form for the festival. Please do not forget to give students the proper adjudication forms in advance so the schedule doesn't get behind.

Festival Operation

The upper level of "A" Building at Northridge High School will have some classrooms with electric pianos available for you to use for warming up. There will also be some rooms without pianos that you should seek if you don't need a piano to warm up. These rooms will be available at 7:30am—since the majority of the festival doesn't begin until 8:30 am, this should leave the early entries plenty of time to warm-up.

The Seminary building will house most all vocal solos and some instrumental solos and some small ensembles. Everything else will be in the main portion of the building. There will be information tables with schedules and maps throughout the building.

It is in the best interest of the festival that you be as helpful as possible. Adjudicators are easily confused—especially when you change the schedule. Please do everything within your power to help them understand whom they are adjudicating. Even under the best of circumstances, adjudicators sometimes make minor mistakes that cause major headaches for the festival staff.

Chamber Choirs

This year we will have an area in the center of “A” building as a warm-up space for Chamber Choirs this year. We tried it out last year but not everyone was aware of it. It seems to be an adequate space, so please feel free to use it. You will have access to this room 15-minutes prior to your performance time in the auditorium, but please watch the time to make sure that you have time to get to the auditorium where you perform. There will be a student volunteer to help you gather your adjudication packets and lead you to the stage entrance a few minutes prior to your performance time. Individual directors are responsible for providing their own adjudication forms and music packets for **both** adjudicators.

Thank you,
Shawn Satterthwaite
North State Festival Director

Dear Music Directors,

At this years’ State Solo & Ensemble Festival at Northridge High School, we will have some options for lunch for your students to choose from if they wish to purchase a meal here at the school. We would like to get a feel for how many are interested so we can prepare for the amount of food to buy in advance. If you could take a brief survey from your kids and send me an email back we would appreciate it.

Here are their choices, each will be \$5.00:

1. Chick-Fil-A Chicken Sandwich

Choice of Chips
Rice Krispy Treat
Choice of Drink

2. 2 Slices of Pizza

Choice of Chips
Rice Krispy Treat
Choice of Drink

We will also have Pizza, Chick-Fil-A Sandwiches available a-la-carte, and a selection of other concession snacks, drinks, and candy available for purchase.

Please email me at ssatterthwaite@dsgmail.net

Sincerely,
