We both know that our kids are our future and we are extremely proud to demonstrate this commitment in Utah, where 130 member high schools serve more than 82,000 students both in and outside the classroom.

At U.S. Bank and Les Schwab, we believe that participation in organized activities helps our young people do better in school, learn valuable life skills like cooperation, leadership and teamwork, and become even stronger contributors to our communities. Not only are the UHSAA programs vital to the development of our kids, they are also vital to our community.

In closing, we would like to extend our sincerest congratulations to all of the athletes, coaches, families and fans here today - just by participation, each and everyone is a winner. We look forward to our continued partnership with you in support of Utah's youth.

We're Going Green!

For the remainder of this school year, the UHSAA is going to try a new approach to state programs that will be both sensible and sensitive to the needs of our organization, patrons, participants and our **ENVIRONMENT**.

The UHSAA is Going "ON-LINE"

- An electronic state program will be available in two different formats at uhsaa.org.
- The Low Resolution Link (Web HTML Link): a smaller file, lower resolution.
- The Hi Resolution Link (Print-Ready PDF): large file, higher resolution.
- The Hi Resolution allows a keep-sake souvenir program to be printed at your home, office, or local print shop, without the pages of ads.
- The Low Resolution allows easy access for those who want to just browse.
- **Go to uhsaa.org and click on "STATE PROGRAMS."**

"2A BASEBALL STATE PROGRAM" includes the UHSAA

Academic All-State, Past Champions, Tournament Bracket and Team Rosters with Pictures.
