

2025 UHSAA Registration Instructions

1. Register for a PK user account:
 - o **Head Coach Only** - go to www.PitchKount.com and click the “Login” button
 - Click “Register” for a new user account
 - Input your name, email, cell number & password
 - Go to your email inbox and verify your email in the message from PK Support
 - Using your email and password, login to the PK system
 - Answer onboarding questions re: a coach, your state, association & organization (school)
 - Go to your team’s PK dashboard
2. From your team’s PK dashboard:
 - o Input your full roster - all players in your HS program, not just your pitchers
 - o Input your teams’ schedules
 - o Click “Coaches” tab to add coaches and/or scorekeepers (*they must also verify their accounts*)

Note: The Support tab provides access to tutorial videos, FAQ and a PK contact form.

3. Additional resource specifically for UHSAA coaches:
 - o <https://pk4uhsaa.weebly.com>
 - o Password: **UHSAA2025** (case sensitive)
- Benefits of the PK system:
 - o Validation process to ensure accuracy of the pitch count data
 - *Home coach inputs game report listing both team’s pitchers & pitch counts*
 - *Visiting coach reviews for accuracy*
 - *If no errors - verifies the report as correct*
 - *If errors - disputes report, makes corrections & report is sent back to home coach*
 - *Home coach either verifies as correct or escalates to UHSAA for final determination*
 - o Team roster remains intact from one season to the next
 - o PK system automatically removes previous year’s seniors before each season
 - o Team specific pitching reports detail who is unavailable that day and who has limited availability
 - o Ability to view and print opponent’s pitching report prior to games
 - o Ability to view opponent’s game reports
 - o PKLive: in-game day of rest and max limit alerts, pitcher availability reminders, syncs data into PK system
 - o Monitor your pitchers’ workload out-of-season with no extra work (both current & feeder system players)

We hope you have a great season!
