

Board of Trustees Meeting Summary  
December 8, 2022

1. Chairman Jerre Holmes called the meeting to order and welcomed everyone.
2. The Board met and adopted, through a motion, the first consideration of the 2023-2025 six classification alignment with member schools placed in regions. A public hearing will be held on Wednesday, December 15 at 7:00 pm via Zoom in an attempt to get feedback from the various districts, schools and communities on the placement of schools into regions.
3. The assignment of schools into regions will be determined on December 15, 2022, by the Board of Trustees, allowing time for schools and regions to organize and schedule for the two-year alignment period. The first contests under the new alignment will take place the fall of 2023. The enrollment data upon which the alignment is based will be less than one year old.
4. For consideration immediately following an established alignment, any school may apply to a higher classification in a specific sport or activity. Schools will be considered for the requested placement in the January Board of Trustees meeting immediately following an established alignment. Once a school is placed in the higher classification, then the school must remain in the new placement for that specific sport or activity for the duration of the established two-year alignment.
