

Board of Trustees Meeting Summary
December 12, 2024

1. Chair Jerre Holmes called the meeting to order and welcomed everyone.
2. The Board met and adopted, through a motion, the second consideration of the 2025-2027 six classification alignment with member schools placed in regions.
3. A public hearing was held on Wednesday, December 11 in an attempt to get feedback from the various districts, schools and communities on the placement of schools into regions.
4. For consideration prior to an established alignment, any school may apply to a higher classification in a specific sport or activity. Schools will be considered for the requested placement in the December 19th Board of Trustees meeting. Once a school is placed in the higher classification, then the school must remain in the new placement for that specific sport or activity for the duration of the established two-year alignment.
5. The assignment of schools into regions will be determined on December 19, 2024, by the Board of Trustees, allowing time for schools and regions to organize and schedule for the two-year alignment period. The first contests under the new alignment will take place the fall of 2025. The enrollment data upon which the alignment is based will be less than one year old.
6. Mr. Mark Van Wagoner, UHSAA Legal Counsel, provided a legal report to the Board of Trustees.
