## 2025-2026 SHOW – CHOREOGRAPHY

### Score Sheet

revised 06/10/2025 ©

Show routines will include the following performance (dance) genres: Hip Hop and Character/Thematic Concept. This is a category meant to spotlight the team's strengths and allow teams to put the most entertaining and creative material on the floor. Both genres need to be clearly demonstrated. A "Thematic Concept" refers to a clear, cohesive idea or storyline that ties together the costume, music, and choreography to create a complete and immersive performance. Any costume that is manipulated by an individual dancer must stay attached to the body. A costume may only be manipulated by the individual dancer wearing the costume. Props/backdrops/sets are prohibited.
